செய்து கொடுக்கப்படுகிறது.

అందుకే ప్రతి అంశంపై ప్రజల అభిప్రాయాలను తెలుసుకోవడం ప్రధానమైంది. ప్రజల అభిప్రాయాలను తెలుసుకోవడానికి ప్రజాభివ్యక్తి కమిటీలు ఏర్పాటు చేయబడ్డాయి. ప్రజాభివ్యక్తి కమిటీలు ప్రజల అభిప్రాయాలను తెలుసుకోవడానికి ప్రజల అభిప్రాయాలను తెలుసుకోవడానికి ప్రజాభివ్యక్తి కమిటీలు ఏర్పాటు చేయబడ్డాయి.

[illegible][illegible]

1. Wages - The amount of money paid to workers for their labor. It is determined by the market forces of supply and demand, as well as government regulations. Wages are typically paid in cash, but can also be paid in kind (e.g., housing, food, clothing).

2. Salaries - The amount of money paid to employees on a regular basis, usually monthly. It is typically paid in cash, but can also be paid in kind. Salaries are typically paid to employees who are not directly involved in the production process.

3. Profits - The amount of money left over after all costs have been paid. It is the difference between the total revenue and the total costs. Profits are typically paid to the owners of the business.

4. Interest - The amount of money paid to lenders for the use of their money. It is typically paid in cash, but can also be paid in kind. Interest is typically paid to lenders who provide capital to the business.

5. Rent - The amount of money paid to landlords for the use of their property. It is typically paid in cash, but can also be paid in kind. Rent is typically paid to landlords who provide land or buildings to the business.

6. Dividends - The amount of money paid to shareholders of a company. It is typically paid in cash, but can also be paid in kind. Dividends are typically paid to shareholders who own shares of the company.

7. Taxes - The amount of money paid to the government. It is typically paid in cash, but can also be paid in kind. Taxes are typically paid to the government by businesses and individuals.

8. Unemployment benefits - The amount of money paid to unemployed workers. It is typically paid in cash, but can also be paid in kind. Unemployment benefits are typically paid to unemployed workers by the government.

9. Health insurance - The amount of money paid to provide health insurance to workers. It is typically paid in cash, but can also be paid in kind. Health insurance is typically paid to workers by employers.

10. Pension plans - The amount of money paid to provide pension plans to workers. It is typically paid in cash, but can also be paid in kind. Pension plans are typically paid to workers by employers.

11. Retirement savings - The amount of money paid to provide retirement savings to workers. It is typically paid in cash, but can also be paid in kind. Retirement savings are typically paid to workers by employers.

12. Child care - The amount of money paid to provide child care to workers. It is typically paid in cash, but can also be paid in kind. Child care is typically paid to workers by employers.

13. Education - The amount of money paid to provide education to workers. It is typically paid in cash, but can also be paid in kind. Education is typically paid to workers by employers.

14. Health care - The amount of money paid to provide health care to workers. It is typically paid in cash, but can also be paid in kind. Health care is typically paid to workers by employers.

15. Disability insurance - The amount of money paid to provide disability insurance to workers. It is typically paid in cash, but can also be paid in kind. Disability insurance is typically paid to workers by employers.

16. Life insurance - The amount of money paid to provide life insurance to workers. It is typically paid in cash, but can also be paid in kind. Life insurance is typically paid to workers by employers.

17. Long-term care - The amount of money paid to provide long-term care to workers. It is typically paid in cash, but can also be paid in kind. Long-term care is typically paid to workers by employers.

18. Short-term care - The amount of money paid to provide short-term care to workers. It is typically paid in cash, but can also be paid in kind. Short-term care is typically paid to workers by employers.

19. Maternity leave - The amount of money paid to provide maternity leave to workers. It is typically paid in cash, but can also be paid in kind. Maternity leave is typically paid to workers by employers.

20. Paternity leave - The amount of money paid to provide paternity leave to workers. It is typically paid in cash, but can also be paid in kind. Paternity leave is typically paid to workers by employers.

21. Sick leave - The amount of money paid to provide sick leave to workers. It is typically paid in cash, but can also be paid in kind. Sick leave is typically paid to workers by employers.

22. Vacation leave - The amount of money paid to provide vacation leave to workers. It is typically paid in cash, but can also be paid in kind. Vacation leave is typically paid to workers by employers.

23. Commuter benefits - The amount of money paid to provide commuter benefits to workers. It is typically paid in cash, but can also be paid in kind. Commuter benefits are typically paid to workers by employers.

24. Employee stock ownership plans - The amount of money paid to provide employee stock ownership plans to workers. It is typically paid in cash, but can also be paid in kind. Employee stock ownership plans are typically paid to workers by employers.

25. Employee stock purchase plans - The amount of money paid to provide employee stock purchase plans to workers. It is typically paid in cash, but can also be paid in kind. Employee stock purchase plans are typically paid to workers by employers.

26. Employee stock option plans - The amount of money paid to provide employee stock option plans to workers. It is typically paid in cash, but can also be paid in kind. Employee stock option plans are typically paid to workers by employers.

27. Employee stock appreciation plans - The amount of money paid to provide employee stock appreciation plans to workers. It is typically paid in cash, but can also be paid in kind. Employee stock appreciation plans are typically paid to workers by employers.

28. Employee stock dividend plans - The amount of money paid to provide employee stock dividend plans to workers. It is typically paid in cash, but can also be paid in kind. Employee stock dividend plans are typically paid to workers by employers.

29. Employee stock bonus plans - The amount of money paid to provide employee stock bonus plans to workers. It is typically paid in cash, but can also be paid in kind. Employee stock bonus plans are typically paid to workers by employers.

30. Employee stock incentive plans - The amount of money paid to provide employee stock incentive plans to workers. It is typically paid in cash, but can also be paid in kind. Employee stock incentive plans are typically paid to workers by employers.

31. Employee stock participation plans - The amount of money paid to provide employee stock participation plans to workers. It is typically paid in cash, but can also be paid in kind. Employee stock participation plans are typically paid to workers by employers.

32. Employee stock ownership trusts - The amount of money paid to provide employee stock ownership trusts to workers. It is typically paid in cash, but can also be paid in kind. Employee stock ownership trusts are typically paid to workers by employers.

33. Employee stock purchase trusts - The amount of money paid to provide employee stock purchase trusts to workers. It is typically paid in cash, but can also be paid in kind. Employee stock purchase trusts are typically paid to workers by employers.

34. Employee stock option trusts - The amount of money paid to provide employee stock option trusts to workers. It is typically paid in cash, but can also be paid in kind. Employee stock option trusts are typically paid to workers by employers.

35. Employee stock appreciation trusts - The amount of money paid to provide employee stock appreciation trusts to workers. It is typically paid in cash, but can also be paid in kind. Employee stock appreciation trusts are typically paid to workers by employers.

36. Employee stock dividend trusts - The amount of money paid to provide employee stock dividend trusts to workers. It is typically paid in cash, but can also be paid in kind. Employee stock dividend trusts are typically paid to workers by employers.

37. Employee stock bonus trusts - The amount of money paid to provide employee stock bonus trusts to workers. It is typically paid in cash, but can also be paid in kind. Employee stock bonus trusts are typically paid to workers by employers.

38. Employee stock incentive trusts - The amount of money paid to provide employee stock incentive trusts to workers. It is typically paid in cash, but can also be paid in kind. Employee stock incentive trusts are typically paid to workers by employers.

39. Employee stock participation trusts - The amount of money paid to provide employee stock participation trusts to workers. It is typically paid in cash, but can also be paid in kind. Employee stock participation trusts are typically paid to workers by employers.

40. Employee stock ownership funds - The amount of money paid to provide employee stock ownership funds to workers. It is typically paid in cash, but can also be paid in kind. Employee stock ownership funds are typically paid to workers by employers.

41. Employee stock purchase funds - The amount of money paid to provide employee stock purchase funds to workers. It is typically paid in cash, but can also be paid in kind. Employee stock purchase funds are typically paid to workers by employers.

42. Employee stock option funds - The amount of money paid to provide employee stock option funds to workers. It is typically paid in cash, but can also be paid in kind. Employee stock option funds are typically paid to workers by employers.

43. Employee stock appreciation funds - The amount of money paid to provide employee stock appreciation funds to workers. It is typically paid in cash, but can also be paid in kind. Employee stock appreciation funds are typically paid to workers by employers.

44. Employee stock dividend funds - The amount of money paid to provide employee stock dividend funds to workers. It is typically paid in cash, but can also be paid in kind. Employee stock dividend funds are typically paid to workers by employers.

45. Employee stock bonus funds - The amount of money paid to provide employee stock bonus funds to workers. It is typically paid in cash, but can also be paid in kind. Employee stock bonus funds are typically paid to workers by employers.

46. Employee stock incentive funds - The amount of money paid to provide employee stock incentive funds to workers. It is typically paid in cash, but can also be paid in kind. Employee stock incentive funds are typically paid to workers by employers.

47. Employee stock participation funds - The amount of money paid to provide employee stock participation funds to workers. It is typically paid in cash, but can also be paid in kind. Employee stock participation funds are typically paid to workers by employers.

48. Employee stock ownership pools - The amount of money paid to provide employee stock ownership pools to workers. It is typically paid in cash, but can also be paid in kind. Employee stock ownership pools are typically paid to workers by employers.

49. Employee stock purchase pools - The amount of money paid to provide employee stock purchase pools to workers. It is typically paid in cash, but can also be paid in kind. Employee stock purchase pools are typically paid to workers by employers.

50. Employee stock option pools - The amount of money paid to provide employee stock option pools to workers. It is typically paid in cash, but can also be paid in kind. Employee stock option pools are typically paid to workers by employers.

51. Employee stock appreciation pools - The amount of money paid to provide employee stock appreciation pools to workers. It is typically paid in cash, but can also be paid in kind. Employee stock appreciation pools are typically paid to workers by employers.

52. Employee stock dividend pools - The amount of money paid to provide employee stock dividend pools to workers. It is typically paid in cash, but can also be paid in kind. Employee stock dividend pools are typically paid to workers by employers.

53. Employee stock bonus pools - The amount of money paid to provide employee stock bonus pools to workers. It is typically paid in cash, but can also be paid in kind. Employee stock bonus pools are typically paid to workers by employers.

54. Employee stock incentive pools - The amount of money paid to provide employee stock incentive pools to workers. It is typically paid in cash, but can also be paid in kind. Employee stock incentive pools are typically paid to workers by employers.

55. Employee stock participation pools - The amount of money paid to provide employee stock participation pools to workers. It is typically paid in cash, but can also be paid in kind. Employee stock participation pools are typically paid to workers by employers.

56. Employee stock ownership trusts - The amount of money paid to provide employee stock ownership trusts to workers. It is typically paid in cash, but can also be paid in kind. Employee stock ownership trusts are typically paid to workers by employers.

57. Employee stock purchase trusts - The amount of money paid to provide employee stock purchase trusts to workers. It is typically paid in cash, but can also be paid in kind. Employee stock purchase trusts are typically paid to workers by employers.

58. Employee stock option trusts - The amount of money paid to provide employee stock option trusts to workers. It is typically paid in cash, but can also be paid in kind. Employee stock option trusts are typically paid to workers by employers.

59.
